This screenshot shows the 'Summary' page of an Azure DevOps project named 'azdevopsproject'. The left sidebar includes links for Overview, Summary, Dashboards, Wiki, Boards, Repos, Pipelines, Test Plans, and Artifacts. The main area features a cartoon illustration of a person working at a desk with a dog. Below the illustration, a large button says 'Welcome to the project!' with the sub-instruction 'What service would you like to start with?'. A horizontal bar below the main content offers links for Boards, Repos, Pipelines, Test Plans, and Artifacts. On the right, a section titled 'Project stats' displays a message stating 'No stats are available at this moment' and 'Setup a service to see project activity.' The bottom of the screen shows a Windows taskbar with various pinned icons and system status indicators.

The screenshot shows the 'Edit Work Item' page for an epic titled 'Det project 2'. The epic has a priority of 2 and is scheduled for 12/12/2024 at 12:00 AM. It is linked to the 'azdevopsproject' area and iteration. The 'Description' and 'Planning' sections are visible, along with a 'Related Work' section for adding links. A discussion box is present for comments.

The screenshot shows the Azure DevOps interface for the 'azdevopsproject' under 'myorghexa'. The left sidebar is open, showing options like Overview, Boards, Work items, Backlogs, Sprints, Queries, Delivery Plans, Analytics views, Repos, Pipelines, Test Plans, and Project settings. The 'Work items' option is selected. The main area displays a table of work items with the following data:

ID	Title	Assigned To	State	Area Path	Tags
2	Det project 2	Unassigned	To Do	azdevopsproject	
1	Data engineering project	Unassigned	To Do	azdevopsproject	

At the top of the main area, there are buttons for 'Recently updated', 'New Work Item', 'Open in Queries', 'Column Options', 'Import Work Items', and 'Recycle Bin'. A search bar and filter options are also present.

The screenshot shows the Azure DevOps Boards interface for the project 'azdevopsproject'. The left sidebar includes links for Overview, Boards, Work items, Boards, Backlogs, Sprints, Queries, Delivery Plans, Analytics views, Repos, Pipelines, Test Plans, and Project settings. The main area displays a list of work items under the heading 'Recently updated'. The columns are 'Assigned To', 'State', and 'Area Path'. Two items are listed: one assigned to 'Unassigned' in the 'To Do' state under 'azdevopsproject', and another also assigned to 'Unassigned' in the 'To Do' state under 'azdevopsproject'. A 'Column Options' modal is open on the right, showing a list of columns with 'ID' and 'Title' currently selected. Other columns listed include 'Assigned To', 'State', 'Area Path', 'Tags', 'Comment Count', 'Activity Date', and 'Accepted By'. The 'Accepted By' column is highlighted with a blue border. At the bottom of the modal are 'OK' and 'Cancel' buttons.

This screenshot shows the 'Work items' page in Azure DevOps. A single work item, 'Det project 2', is selected. It's categorized under 'EPIC 2*' and has an owner of 'azuser2356_mml.local'. The work item is currently in the 'To Do' state, assigned to the 'azdevopsproject' area, and is part of the 'azdevopsproject' iteration. The planning section shows a priority of 2, a start date of 12/12/2024, and a target date of 12/26/2024. The 'Related Work' section includes options to add a link or an existing work item as a parent. The 'Discussion' section is empty, with a placeholder for adding a comment using Markdown syntax. The bottom of the screen shows a Windows taskbar with various pinned icons and system status.

A screenshot of the Azure DevOps Backlog page for the 'azdevopsproject Team' sprint. The backlog is currently set to the '2ns sprint' view. A single task, 'Introduction to Azure Devops', is listed under the 'To Do' column. The task has an ID of 4 and is assigned to 'To Do'. The backlog tab is selected, and other tabs like Capacity and Analytics are available. The top navigation bar shows the project name 'azdevopsproject' and the current sprint '2ns sprint'. The left sidebar includes links for Overview, Boards, Work items, Boards, Backlogs, Sprints (selected), Queries, Delivery Plans, Analytics views, Repos, Pipelines, Test Plans, and Project settings. The bottom taskbar shows the Windows Start button, a search bar, and various pinned application icons.
